

Dear Parents and Supporters,

Our School is participating in an incredible new funding opportunity. There is no cost to our school and no cost or obligation to you. It's really simple. When you shop on the Internet, our school receives a percentage of your online purchases. If we all do it, we could raise a substantial amount of funds.

We have partnered with Furtal.com (pronounced "Fertile") and they have created a web site or funding portal (we call it our 'Furtal') just for our school. You can find it at <http://www.furtal.com/school/Davis-Drive-Middle-School>. This site includes many of the top online retailers who pay commissions for purchases made through our school's Furtal.

Here's what you can do at our Furtal...

## What can you do at our furtal?

Shop for goods from your favorite national retailers. Enjoy the same great products at the same prices.

Get insurance quotes for life, health, home or car. You can even request bids from local contractors for services like remodeling or plumbing!

Book your travel arrangements using a nationwide resource to find the lowest possible prices available for flights, hotels, cruises and packages.

Find local offers, deals, or coupons from your neighborhood restaurants and establishments.

Simply by starting your online shopping at our Furtal, you'll help us earn cash back on all your purchases. There are no additional costs to you and you receive the exact same products and services. We can earn up to 20% on some purchases and most average between 3-6%.

Grandparents, aunts, uncles, friends, business associates, anyone can use our Furtal to help us raise a substantial amount of funding. Furtal can help us provide the very best in PTA programs and technology for our school.

Start today. Make sure all the other parents do it too. Invite your family, friends, neighbors and businesses associates to shop through our Furtal and let's all pull together to generate a lot of extra funding and make our school a "Furtal" learning ground for our students.
